

BREVITIES.

Advice to beggars--Bogon(e). An inn-vocation--Tending bar. Baby-clothes--"Bawl" dresses. Behind time--The back of a clock. A bad debt--The owing of a grudge. A fleeting show--A traveling circus. Comfits a little out of season--Candied-dates. "Syntax"--The fines assessed in the Police Court. Washington oysters termed epigastric ecstasy. Des Moines, Iowa, is to have a \$60,000 Masonic Temple. Vanity is a strong drink that makes all virtues stagger. Sunday readers for political contractors--The Book of Job. The modern (K)night Errand (t)--A husband sent for the doctor. Baltimore's second census is said to have disclosed a population of 283,375. Mass. has no fixed rate of interest, but allows "free trade in money." Frontier settlers are much annoyed by horse-steal Indians. Pancakes and a grub are the same, both make the butterfly. Napoleon Bonaparte has been arrested for stealing cotton in Charleston. Miss Anna Dickinson is going to lecture on "Man's Rights"--not in the sense of marriage rites, however. "Business before pleasure" as the man said when he kissed his wife before going to make love to his neighbors. A nephew of Baron Moltke is said to be a soldier in the U. S. army, at San Antonio, Texas. The State Geologist of Ohio declares that the State has 10,000 square miles of coal deposit. "Laziness grows on people. It begins in cobwebs, and ends in iron chains. The more business a man has, the more he is able to do, for he learns to save his time." A person being asked what was meant by the "realities of life," answered "Real estate, real money, and a real good dinner--none of which could be realized without real hard work." A Ken paper declares that party of emigrants have passed through "with 33 loose horses and women, and dogs, without number." Rather a bad lot--or is it the punctuation. Infalible Remedies--For corns, easy shoes; for flannel, exercise; for rheumatism, new flannel and patience; for gout, toast and water; for the tooth ache, a dentist; for debt, industry; and for love, matrimony. A diner, hearing the lady of the house at dinner ask her husband to bring "Dombey and Son" with him when he came home to tea, had two extra plates on the supper table. Since 1800, England, the most insistent power in Europe, has been engaged in 49 wars. France fought 37 wars in the same time; Russia has contended in 21; Austria in 12, Prussia in 7. These wars included nearly all the other nations of Europe, and the reader may judge from this statement whether Europe is a pleasant place for permanent residence. Mrs. Agassiz tells us that in certain Amazonian tribes, on the day of his marriage, while the wedding festivities are going on, the bridegroom's hands is tied up in a paper bag filled with fre ants. If he bears this torture smilingly and unmoved, he is considered fit for the trials of matrimony. Says the Psalmist: "He maketh my feet like hind's feet." A negro preacher read it "hen's feet," and proceeded to say, "dat a hen in the hen-roost, when it falls asleep, tightens its grip so's not to fall off. And dat's how true faith, my breddren, holds on to the rock." The \$12 Lever Watch, No. 13,580, purchased from Chas. P. Norton & Co. 80 Nassau Street, New York, January 5th, has been carried by me over six months, with a total variation in time of only 26 seconds, without the slightest regulating, and presents the same brilliancy of color as when purchased. A Railroad Man Ahead of Railroads.

It is generally understood throughout Polk County that I am selling goods from 25 to 50 per cent cheaper than any other Store this side of Portland. Now I do not offer this as an advertisement, but simply as an explanation. When we have a Railroad from Portland South on the West Side of the River, it will open up a new era for the citizens of the counties through which it will pass. Every man can take his wife, leave the children with their uncle, go to Portland and gather up a full list of supplies, at a very trifling expense, and at a figure far below country prices, providing there were not merchants through the country up with the times. But there will be plenty of live men in the arena. All the old fogies will have to give way, buy themselves a little farm, and retire to quiet life. This is not sarcastic, but downright truth, as history of the past proves. And I expect those that are now little children will relate to their children in time hereafter how that, in the olden time, over there, on the hill just across Salt Creek, at Ed. Clark's old Store House, M. M. Ellis inaugurated the new practice of selling goods at Portland prices, and paid the freight himself. Come and see me. You shall be entertained in a first class manner, with first class goods. 40-4f M. M. ELLIS.

ADDRESS

Nervous and Debilitated WHOSE SUFFERINGS HAVE BEEN Protracted from Hidden Causes, AND WHOSE CASES REQUIRE PROMPT TREATMENT to render Existence Desirable.

If you are suffering or have suffered, from involuntary discharges, what effect does it produce upon your general health? Do you feel weak, debilitated, easily tired? Does a little extra exertion produce palpitation of the heart? Does your liver, or urinary organs, or your kidneys frequently get out of order? Is your urine sometimes thick, milky or floccy, or is itropy on settling? Or does a thick scum rise to the top? Or is a sediment at the bottom after it has stood awhile? Do you have spells of short breathing or dyspnoea? Are your bowels constipated? Do you have spells of fainting, or rushes of blood to the head? Is your memory impaired? Is your mind constantly dwelling on this subject? Do you feel dull, listless, mooping, tired of company, of home? Do you wish to be left alone, to get away from your business, and do nothing but read or study? Is your sleep broken or restless? Is the lustre of your eye as brilliant? The bloom on your cheek as fresh? Do you enjoy yourself in society as well? Do you pursue your business with the same energy? Are your spirits dull and flagging, given to fits of melancholy? Do you feel as much confidence in yourself? If so do not lay it to your liver or dyspepsia. Have you other medicine had failed? Solidly, your knees weak, and have but little appetite, and you attribute this to dyspepsia, or liver complaint?

Now, Reader, self-abuse, venereal diseases badly cured, and sexual excesses, are all capable of producing a weakness of the generative organs. The organs of generation, when in perfect health, MAKE THE MAN. Did You Ever Think that those bold, defiant, energetic, persevering successful business men, are always those whose generative organs are in perfect health? You never hear such men complain of being melancholy, or nervousness, or palpitation of the heart. They are never afraid they cannot succeed in business; they don't become sad and dejected; they are easily polite and pleasant in the company of ladies, and look you and them right in the face--none of your downcast looks or other meanness about them. It do not mean those who keep the organs indurated by running to excess. These will not only RUIN THEIR CONSTITUTIONS, but also those they do business with or for. How many men, from badly cured diseases, from the effects of self-abuse and excesses, have brought about this state of weakness in those organs that has reduced the general system so much, as to induce almost every other disease. Disease of these organs require the use of a Diuretic.

IDIOCY, LUNACY, PARALYSIS, spinal affections, suicide, and almost every other form of disease which humanity is heir to, and the real cause of the trouble scarcely ever suspected, and have doctored for all but the right one. Helmbold's Fluid Extract BUCHU is the great Diuretic, and is a certain cure for disease of the Bladder, Kidneys, Gravel, Dropsy, Organic Weakness, Female Complaint, General Debility, and all diseases of the Urinary Organs, whether existing in Male or Female, from whatever cause originating, and the matter of how long standing. If no treatment is submitted to, Consumption or insanity may ensue. Our flesh and blood are supported from these sources, and the health and happiness, and that of posterity, depends upon prompt use of a reliable remedy.

Established upward of Nineteen years, IS PREPARED BY H. T. HELMBOLD, Druggist, 504 Broadway, N. Y. 104 South Tenth St., Phila. Price \$1 25 per Bottle, or 6 Bottles for \$6 50, delivered to any address. Sold by all Druggists everywhere. NONE ARE GENUINE unless done up in steel engraved wrapper, with facsimile of my Chemical Warehouse, and signed H. T. HELMBOLD.

FRENCH MEDICAL OFFICE.

Dr. Julien Perrault, Dr. of Medicine of the Faculty of Paris, Graduate of the University of Queen's College, and Physician of the St. John Baptist Society of San Francisco.

Dr. Perrault has the pleasure to inform patients and others seeking confidential medical advice that he can be consulted daily at his office, Army Hall Building, North East corner of Montgomery and Sacramento streets, San Francisco, Rooms Nos. 9, 10, 11; first floor, stairs, entrance on either Montgomery or Sacramento streets. Dr. Perrault's studies have been almost exclusively devoted to the cure of the various forms of Nervous and Physical Debility, the result of injurious habits acquired in youth, which usually terminate in impotence and sterility, and permanently induce all the concomitants of old age. Where a secret infirmity exists, involving the happiness of the individual, and the morality of the community, the necessity of its removal, for it is a fact that a premature decline of the vigor of manhood, matrimonial unhappiness, compulsory single life, etc., have their sources in causes, the germ of which is planted in early life, and the bitter fruits tasted long afterward; patients, laboring under this complaint, will complain of one or more of the following symptoms: Nocturnal Emissions, Physical Debility, Head, Weakness of Memory and Sight, Discharge from the Urethra on going to stool or make water, Intellectual faculties are weakened, Loss of Memory energies, Ideas are clouded, and there is a disinclination to attend to business, or even to reading, writing or the society of friends, etc. The patient will probably complain of Dizziness, Vertigo, and that Sight and Hearing are weakened, and sleep disturbed by dreams; melancholy, sighing, palpitation, fainting, coughs and slow fever; while some have external rheumatic pain, and numbness of the body. Some of the most common symptoms are pimples in the face, and itching in different parts of the body. Patients suffering from this disease should apply immediately to Dr. Perrault, either in person or by letter, as he will guarantee a cure of Seminal Emissions and Impotence in six or eight weeks. Patients suffering from venereal disease in any stage, Gonorrhoea, Gleet, Stricture, Bubo, Ulcers, Cutaneous Eruptions, etc., will be treated successfully. All Syphilitic and Mercurial Taints entirely removed from the system. Dr. Perrault's office is in the Army Hall office, where patients can see for themselves that they are under the care of a regularly educated practitioner. The best references given if required. Patients suffering under chronic disease can call and examine for themselves. We invite investigation; claim not to know everything, nor to cure everybody, but we do claim that in all cases taken under treatment we fulfill our promise. We particularly request those who have tried this boasted drug, and that advertised physician still worn out and discouraged, to call upon us. Low charges and quick cures. Ladies suffering from any complaint incidental to their sex, can consult the doctor with the assurance of relief. Female Monthly Pills.
